Re: Partial Transfer of Notice of Intention, Small Mining Operations, Levin #4 Project (S/027/086), and Full Permit Transfer of Levin #2 (S/027/087) from Levin Stone Company, Inc. to Rocanville/Wing Joint Venture, Millard County, Utah

Dear Mr. Hamilton:

On April 24, 2001, we received a Transfer of Notice of Intention of Small Mining Operations to transfer the Levin #4 small mining project (S/027/086) and Levin #2 small mining project (S/027/087) from Levin Stone Company, Inc. to Rocanville/Wing Joint Venture. **The Levin #4 is a partial transfer of the entire project and the Levin #2 is a full transfer of the project.**

Levin #4 (S/027/086)

The portion of Levin #4 project to be transferred is located in the W/2 NW1/4 NE1/4 NW1/4 and the E/2 NE1/4 NW1/4 NW1/4 of Section 34, T17S, R13W, Millard County, Utah. **This project still has approximately 1.5 acres on the north end of the existing quarry and a stone yard that is not transferred to Rocanville/Wing, but will remain the responsibility of Levin Stone Company to complete the reclamation of these areas before they can be released from this permit.**

Because Rocanville/Wing already has an approved small mining permit for a portion of Section 34, (file number S/027/090), we will amend that file to include the portion of the Levin #4 area as identified in the transfer notice.

Levin #2 (S/027/087)

The Levin #2 small mining project will be transferred in it's entirety. The Levin #2 is located in the E/2 SW1/4 NW1/4 and the W/2 SE1/4 NW1/4 of Section 29, T18S, R13W, Millard County, Utah. **By copy of this letter, Levin Stone Company, Inc. is hereby released from any further mining and reclamation responsibility for the Levin #2 permit.**

The Division Director signed and executed the transfer documents on April 30, 2001. Copies of the two executed transfer forms are enclosed for your files. **You are now the official party responsible for all mining and reclamation obligations as identified in the transfer documents.**
